

THERAPEUTIC GOODS ADMINISTRATION

SELF-REPORTING FOR CONSUMERS

If you experience any problems or side-effects after discharge, please seek medical advice as required to ensure your safety or contact the Hospital for further advice.

Additionally, we encourage the reporting of any problems with medical devices or side-effects/problems with medications to the Therapeutic Goods Administration by visiting

<https://www.tga.gov.au/consumers>

The Therapeutic Goods Administration website will provide you with information about:

- Reporting a problem or side effect
- Travelling with medicine or medical devices
- Buying medicines and medications online
- Information about what can be imported
- How medicines are regulated in Australia

Please contact MHPH if you require any more assistance
