

PLEASE SHARE WE CARE

Supporting diversity awareness and sensitivity

Monash House Private Hospital is committed to being responsive to the diversity of patients, families and consumers receiving healthcare from the hospital, as well as staff and visitors.

Monash House Private Hospital promotes and fosters an environment of equity, fairness and respect in accordance with the mission and values of the hospital.

We encourage patients, consumers, family and friends to share with us what is important to them so we can work in partnership and deliver the best possible care.

Monash House
